Beware of Ointments for Catarrh That Contain Mercury
as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surface. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.
Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

Drug Store Diplomacy

We use the word diplomacy in the sense of service. We strive to serve our customers in a satisfactory manner.

This not only applies to the matter of waiting on you promptly and courteously and seeing that you get just what you want—but it extends beyond the actual sale. If a purchase ever proves unsatisfactory we are always ready to make good without any quibbling. In other words the customer must be satisfied.

This rule applies to sales made to children as well as adults.
